

DataBay Resources Product Offerings

For your convenience, the 7 minute course is on-line and on-demand. You may participate at any time.

Please join Bob Nestor, Director of Product Development, Databay for a review of the NavigateNet, Navigate ProfitPoint and Navigate-MD software tools, hear a customer's success story using DataBay products, and review sample reports relevant to your business.

Instructions:

1. Please direct your browser to: www.inquisit.org/DataBay
(You may wish to copy and paste the above URL in your browser)
2. Select "create a profile". Please complete an accurate profile with username and password you create for yourself.
3. Click Submit
4. Review the course description.
5. Click Begin Course
6. Turn your computer sound speakers up to an acceptable level. The media player will load and your course will begin.
7. Please select the Program Materials icon to print and/or view the sample report spreadsheet.
8. Your input is welcome and appreciated. Please submit your evaluation by selecting the Evaluation icon.

Thank you.
